

EXTENDED REALITY - LAB 8

BOOKLET

Ane O'Byrne

SN: 22337854

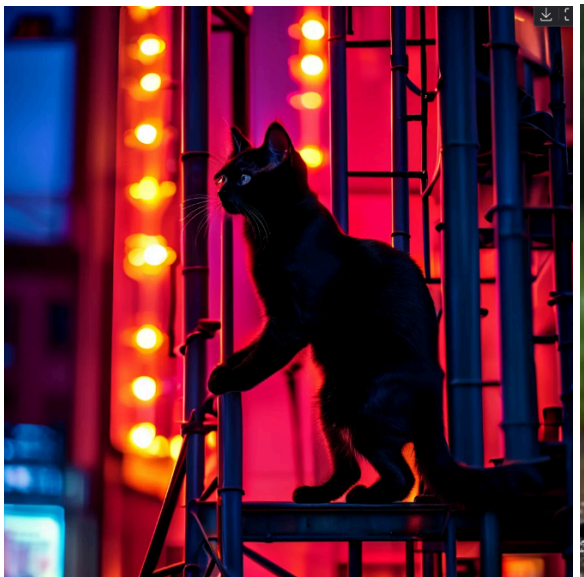

[1] A thin black street cat stands in a dim alley under a flickering streetlight, surrounded by trash bags and puddles.

[2] The thin black cat walks past a busy night market filled with glowing lanterns, food stalls, and blurred crowds of people.

[3] The thin black cat carefully climbs a metal fire escape, pausing halfway up as neon city lights glow brightly behind it at night.

[4] A young girl in a yellow raincoat kneels in the rain, holding out her hand to the thin black cat.

[5] The black cat sleeps curled up on a soft blanket inside a cozy room, with warm light and a window showing the rainy night outside.
